

Ballymoney Nursery School - March Blended/Home learning Ideas 1

Below are some activities that you could carry out with your child at home. The activities cover a variety of curricular areas that link with themes being covered in class.

Week beginning: 1 st March 2021... Road Safety and World Book Day				
Talk about ways we keep safe when we are in town, on the road, car parks, in the car	It is important to always wear a helmet when riding your bicycle or scooter. Watch the following video: - Staying Safe by Wearing a Helmet Get Well Soon https://youtu.be/uv7vSuTir6g	Talk about all the different things we can read; books, newspapers, magazines, computer, iPad, recipes, maps, menus etc	Watch the video on Seesaw or Facebook of the staff sharing what their favourite book is.	Choose a book to read with a family member. Remember it is ok to read the same books over and over, children enjoy repetition and familiar books are comforting!
Watch videos about crossing the road safely with Ziggy and discuss with an adult on the following website:- Crossing the road: Road Safety Scotland Click the following link- Online book - Cross the road: Road Safety Scotland	With an adult read the following book: - Online book - Ziggy goes: Road Safety Scotland You could try the memory game afterwards! Activity - matching pairs: Road Safety Scotland	Choose a book or two to read from the World Book Day website https://www.worldbookday.com/big-little-book-corner	Read a favourite story with a family member. You could sit in a quiet area with cushions, blanket and cuddle up together to read. Ask your child to look out for different items, animals etc in the book.	If you haven't already joined the local library. You can do this in the library or online:- https://www.librariesni.org.uk/becoming-a-member/ 
Go for a walk with an adult outside and see what shapes you can see e.g. road signs could be circles or triangles!	If you have a bike, tricycle or a scooter go outside and safely practise riding it -this is good exercise for you!	Go for a walk with a grown up, count the number of daffodils, crocuses etc that you may see. Look and see if there are any new flowers that are springing up in your garden.	After you have done this, draw a picture and 'write' about your favourite part of the story. Encourage your child to tell you what they have 'written'.	Using puppets or storybooks, retell one of the stories you have read recently.
With an adult, hold their hand and practise crossing the road safely. Remember to look left and right and then left again.	What shapes can you find around your house? Can you find circles, squares, rectangles or triangles? E.g. clock is a circle; remote control is a rectangle.	Talk about the difference that you can see each time you are outside. You could even lie down in your garden and look up at the sky!	Have a look around your house-what are the different things that people can read?	You are coming back to school on Monday ☺ with a grown up, talk about what you are looking forward to about coming back to Nursery.
