Dear Parent/Carer,

We are fast approaching the festive season and the children are busy practising for their Christmas performances. This year, as you cannot come into the school to watch them, we will be videoing the performances and uploading them to the class Seesaw to be shared with all the parents/carers in each class.

As the video will be seen by everyone in the class, I am writing to ask for your consent if your child can be included in the video. If you decide you do not want your child to be included, they will still have the experience of performing with the class during rehearsals however won't be in the final performance which will be videoed.

Please complete the below slip and return to school by **Friday 27th November 2020**. It is important that all forms are returned as we want to ensure we safeguard all our children and if we do not have a returned form then they will be unable to participate in the videoed version.

Yours sincerely,

Jennifer Trimmings,
Principal
