Dear Parent/Carer,

I am delighted to be informing you that your child's home learning bag is ready to go home!

The contents of the bags include items that will help develop your child's creativity, co-ordination, motor, maths and language skills. Ultimately, we hope your child will have fun learning at home! Inside, each bag is a leaflet with ideas that can be done with all of the contents. I have also attached the leaflet to this email so that you have an electronic copy.

I hope your child enjoys using the bags and you both have the chance to do some of the activities together. I look forward to getting your feedback in the near future about how you have used the bags. If you wish please upload photos of your children using the bags to Seesaw or the Private Facebook Group as it would be good to see your children in action.

Yours sincerely,

Jennifer Trimmings,  
Principal
